

<b>Key Stage 2</b>		
<b>Curriculum Subjects</b>	<b>Art &amp; Design</b> <b>Literacy</b> 	
<b>Learning Objectives</b>	<b>Create a storyboard sequence for an original hand written extract inspired by 'Goldilocks and the Three Bears'</b>	
<b>Materials</b>	BIC KIDS Visa Felt Tip Pens. Plain paper or notebook. The attached worksheets.  	
<b>Teacher Prep</b>		<b>Pupil Prep</b>
Print out the worksheet and storyboard template. One per child or one between two. (If you plan to create an animation put the children in groups of 2-4).		Read the story, 'Goldilocks and the Three Bears'.
<b>Lesson</b>		
<b>Task 1 - Write an original extract</b> Ask the pupils to choose their favourite part of the story, for example when Goldilocks tries the porridge. Instruct them to re-write that section as if they were the original author. They can change a few things to make it original, however they must make sure the basic story stays the same. For example, the porridge could be treacle pancakes and Goldilocks could be a moody teenager instead of a sweet little girl. The more imaginative the better!		
<b>Worksheet 1</b> Fill in the worksheet. Draw the characters using BIC KIDS Visa Felt Tip Pens and then fill in the information. <b>Advanced Difficulty</b> - Challenge their ideas about the story and ask the children to draw the characters using a different style or genre. Horror, Manga, Sci-Fi, Action, Adventure and Fantasy are all good examples to use.		
<b>Storyboard</b> Ask the children to storyboard their original extract from task 1. Keep it simple, the scene should have no more than 4 steps. For example, Step 1 - Goldilocks walks into the kitchen and sees the porridge. 2 - She tastes Daddy's porridge. 3 - She tastes Mummy's porridge. 4 - She eats all of Baby's porridge.		
<b>Learning Outcomes</b>	Re-work a well known story so that it has original elements in the form of a hand written extract. Design and draw illustrated characters based on a well known story. Advanced Difficulty - Drawn characters in the style of a chosen genre or style. Completed a 4 step storyboard.	
<b>Follow on Activities</b>	Make the characters out of plasticine and animate the storyboard using tablets and a stopmotion app. Make a background using a decorated cardboard box. Alternatively invite InspirEd Workshops into your school to run an animation workshop using this lesson plan.  Design, illustrate and write a newspaper front page highlighting the Goldilocks story.  The storyboard template can be used during other lessons to. Why not use it as a useful teaching tool.
