Teacher Prep	
Put out adjectives and adverbs from previous lesson with the pupils work and spooky music.	
Lesson	
<p>Starter: Fun starter: Play spooky music and ask pupils to read out their sentences from the previous lesson.</p> <p>Explain to the pupils that we are going to write two paragraphs using the sentences from the previous lesson. (play spooky music to establish atmosphere) to give the pupils a recap, stick adverbs to speech bubbles and then match up to direct speech statements. What's the different between speech bubbles and direct speech? What makes these sentences effective? Adverbs, adjectives, punctuations – Act some of them out. (10 minutes)</p> <p>Main activity: 1) Table activity (shared reading): recap on all adjectives and adverbs to help the pupils write their paragraphs. (5minutes) 2) Table activity (individual writing): Children will now transform their sentences into paragraphs using as many adjectives and adverbs with correct punctuations. (10 minutes)</p> <p>Conclusion: Read out at least one piece of work and the class help gather some vocabulary (collected on a flip chart. (5 minutes)</p>	
Learning Outcomes	To learn about powerful adjectives and adverbs. Learn how to write a paragraph. To know the difference between speech.
