

## Party straws

### You will need:

- . card
- . Paintbrush
- . water
- . cutter\*
- . Drinking straws
- . cloth
- . Kid COULEUR XL or Kid COULEUR

### Instructions:

- 1 Draw shapes such as sea creatures to decorate your party straws.
- 2 colour them with Kid COULEUR XL or Kid COULEUR. Use a fine brush to sprinkle water on your drawing, then dry it off with a cloth. This gives you a more realistic effect!
- 3 cut out your figures and make two parallel horizontal cuts in each one, through which you can pass the straw.
- 4 Push the straw through the cuts. Your party straws are ready!
